Dear Mr. Grosvenor:

The Carbondale Historical Society has been invited to present a talk/illustrated lecture in the Auditorium at Saint Joseph's Hospital, Carbondale, on the Delaware and Hudson Canal Company's Gravity Railroad. This talk/illustrated lecture will take place on Thursday, February 3, 1983, beginning at 7:30 P.M.

Given your extraordinary knowledge of the Delaware and Hudson Canal Company and its gravity railroad and canal, I wonder if you would be willing to take charge of this talk/illustrated lecture? Members of the Carbondale Historical Society will participate in this presentation which, as we see it now, will conclude with a screening of the film about the Delaware and Hudson Canal entitled "The Canawler."

If it will be possible for you to let me know by January 21st whether or not you will be able to lead this presentation, I would very much appreciate it.

Sincerely yours,

S. Robert Powell
